SUBJECT: Union Grievance

Brothers and Sisters:

On Monday, 8/1/16, your Union Representatives and myself filed a Union Grievance with the Company detailing eleven (11) very important issues and concerns to our membership.

Working with our Southern Territory Vice President and staff, in addition to our Grand Lodge Representative Joey Slaton, we have also filed an Unfair Labor Practice Charge in our concerted efforts to support our Union grievance and address these very important Title 29, Section 7 rights granted to us by the National Labor Relations Act; rights that Company representatives have failed to acknowledge.

In our efforts to provide our membership with up-to-date information while keeping you informed on these very important issues, we present this Union Grievance for your review.

We will keep you updated as events occur.

Fraternally,
