In our ongoing efforts to be inclusive and in keeping our membership informed throughout your very important 2018 negotiations with Lockheed Martin we present for your review the entire non-economic Union Proposal that we will be presenting to the company this morning as we open up negotiations.

Economic negotiations will start in San Antonio, Texas on February 12, 2018. Of course, the Union reserves the right to open for discussion, add, delete, and/or modify any of these proposals, the right to propose changes and to make counter proposals and reserves the right to make counterproposals in any area of the agreement opened by the Company.

We will keep you informed as events unfold.

Fraternally,
